

## **International Conference on Chemistry for Human Development (ICCHD-2020)**

**Date: 9<sup>th</sup>-11<sup>th</sup> January, 2020, Venue: Heritage Institute of Technology, Kolkata**

### **Dr Sankar K. Guchhait**

**National Institute of Pharmaceutical Education and Research (NIPER),  
S. A. S. Nagar (Mohali), Punjab-160062, India**

Dr Sankar K. Guchhait did PhD in Indian Association for the Cultivation of Science, Kolkata in 2001, under supervision of Professor Brindaban C. Ranu. He spent four years in USA for postdoctoral research in University of Tennessee, Knoxville (with Professor George W. Kabalka), University of Illinois at Chicago (with Professor Gabriel Fenteany), and University of California, Riverside (with Professor Michael Pirrung). Subsequently, he joined as Assistant Professor in NIPER in 2007. His research area is synthetic organic medicinal chemistry for target-based anticancer and antileishmanial drug discovery. Dr. Guchhait has gained 55 publications in reputed journals and two product-patents. American Chemical Society (ACS) has recognized his J. Med. Chem. publication as highly cited article and highlighted the ACS-Med. Chem. Lett. article as cover art image.

#### **Award:**

Professor D. Nasipuri Memorial Lecture Award offered by Indian Chemical Society in 2015.
